

I, along with MANY others in my community, listen REGULARLY to K-LOVE radio station in Chicago (94.3 fm). We help to financially support K-LOVE BECAUSE WE LOVE IT. WE NEED IT, AND I CAN'T IMAGINE not having it on my radio dial. K-LOVE provides the type of music that every person should have the option to listen to- music that is uplifting and encouraging; music that has a purpose, music that has the power to focus your mind where it needs to be- on JESUS CHRIST our LORD.

There could not be a better reason to keep K-LOVE on our fm radio dial than the fact that it is so, so needed in our community, in our world. Having K-LOVE on the fm dial gives it the power to reach so many hurting people. K-LOVE's message of hope is INVALUABLE. This hope touches not just by the adults listening, but it affects the children of the adults listening. Can you imagine being raised by a parent who feels hopelessness with nowhere to turn? So many children are raised this way. If those parents happen upon K-LOVE, their lives could be transformed. Their children's lives could be transformed. What could take priority over that??!!
